## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions  
As of FRI 30 JAN 2026

### Olympic Competition Format

There are 11 snowboard events at the Olympic Winter Games Milano Cortina 2026:

Parallel giant slalom, snowboard cross, snowboard halfpipe, snowboard slopestyle and snowboard big air for women and men, and there is also a new mixed team snowboard cross event.

In all FIS (International Ski and Snowboard Federation) events the competitors must wear helmets.

### Differences between the FIS World Championships and the Olympic Winter Games

While the snowboard events at the Olympic Winter Games are limited to parallel giant slalom, snowboard cross, halfpipe, slopestyle and big air, the sport programme for the FIS world championships also includes parallel slalom and parallel mixed team events.

### Parallel Giant Slalom

The competition consists of a qualification phase and finals.

The qualification will be run on parallel courses and consists of two runs: the qualification run (first run) and the elimination run (second run). All qualified competitors (those with a valid time registered) from the qualification run start in the elimination run. They start on the opposite course in reverse order of their rank. The top 16 ranked competitors according to the combined time of the two runs qualify for the finals.

Two valid qualification runs are necessary to participate in the finals. In the finals (1/8 finals, quarterfinals, semifinals, finals) two competitors ride simultaneously side-by-side down the courses, in a direct knockout format with the winner progressing to the next phase.

Throughout the finals, the better-ranked competitor can choose his or her lane.

#### Tie in the qualification:

If two or more competitors are tied after the elimination run, the competitor with the fastest run in the qualification will receive the better rank.

If any ties remain, tied competitors with the worse rank from the FIS Seeding List will receive the better rank.

#### Tie in the finals:

If the time difference on the finish line is 0.00 seconds, the decision will be made by the first part of the body that crosses the finish line. (Photo finish)

If the decision can't be made by the photo finish, the competitor with the worse qualification rank advances to the next round. In Small and Big Finals those ties will not be broken.

If two competitors are tied or are marked as Did Not Finish at the same gate, or both are marked as Did Not Start or Not Permitted to Start, the competitor with the worse rank from the qualification will receive the better rank.

Medal phase: Ties on the finish line or Did Not Finish at the same gate will not be broken. Tied competitors will receive the same medal and be listed in order of their rank in the qualification. If both competitors are marked as Did Not Start or Not Permitted to Start, they will be ranked second in the heat.

## Competition Format and Rules

As of FRI 30 JAN 2026

### Sport rules and procedures

#### Starting order - qualification:

A manual or computerised random draw is conducted for the top 16 competitors from the current FIS Seeding List. The remaining competitors will start according to their current FIS seeding (reflects World Cup or FIS rank, whichever is better).

#### Starting order - parallel finals:

The pairs for the parallel finals will be set based on the rank of the top 16 competitors obtained during qualifications (1<sup>st</sup> versus 16<sup>th</sup>, 2<sup>nd</sup> versus 15<sup>th</sup>, etc.)

#### Ranking in a heat of the parallel finals:

Final heats consist of a direct knockout format (one run): the best qualified competitor can choose his lane at the start, the first to cross the finish line wins the heat.

#### Final ranking:

The top 16 competitors are ranked according to their results in the final heats. The remaining competitors are ranked according to the qualification results.

### Penalties / Disqualification Rules

The possible penalties are DNS for no show, DNF for did not finish, Not Permitted to Start (NPS) is possible for various rule infractions, DQB for disqualified for unsportsmanlike behaviour, or DSQ if the rider fails to cross the gate lines with at least one foot buckled to the board, fails to cross the finish in accordance with article 6405 of the FIS competition rules, false start, disturbing an opponent, or incorrect gate passage.

### Protests / Appeals

A protest must be made in writing to the jury within 15 minutes of the end of the qualification or final phases.

### Changes since the Olympic Winter Games Beijing 2022

Use of the high-resolution Photo Finish camera for tight decisions.

### Snowboard Cross

#### Sport rules and procedures

The competition consists of a seeding/qualification phase and finals.

The seeding/qualification phase consists of timed runs to populate the final brackets. The following formats can be used:

1. Best of two runs
2. Two runs with cut-down (only the second run counts for those who did not qualify after the first run)
3. One run

Depending on the seeding criteria, a bracket of 32 or 16 competitors will be used. Ideally, 32 athletes will compete in the finals for both genders.

The heats for the finals will be set based on the seeding ranking. If the seeding/qualification phase cannot take place, the competitors will be seeded according to the FIS seeding list.

The finals (1/8 finals, quarterfinals, semifinals, big and small final) are divided into heats of up to four competitors based on the seeding/qualification results. The bib numbers in the finals correspond to the competitor's rank in the seeding/qualification phase. Up to and including the semifinals, the top two competitors from each heat advance to the next phase.

#### Tie Break Rules

##### Seeding:

1. One run format and first run of the two runs with cut-down format: If two or more competitors are tied, the competitor who started later will be ranked first
2. Best of two runs and second run of the two runs with cut-down format: If two or more competitors are tied, the competitor with the faster time in their other run will receive the better rank. If any ties remain, the competitor that started later will be ranked first.

##### Finals:

1. If two or more competitors are tied, the competitor with the better rank from qualification or seeding will receive the better rank.
2. If ties remain because the qualification or seeding phase was not completed, tied competitors will be ranked according to their rank in the current FIS Seeding List.
3. If two or more competitors are DNF, the ones who passed most gates down the course will be ranked better. If still tied, they will be ranked according to their rank in the qualification or seeding.
4. If two or more competitors are tied with DNF, RAL or DNS the tie will be broken by the ranking in the qualification or seeding. The competitor with the better rank will win the tie.
5. Finals (big and small): Ties on the finish line will not be broken. Tied competitors will receive the same medal and be listed in order of their rank in qualification or seeding, or if the qualification or seeding phase was not completed, in order of their rank in the current FIS Seeding List. Ties for competitors sharing DNS or NPS: the tie will be broken by a jury decision.

##### Starting order - seeding/qualification:

A manual or a computerised random draw is conducted for the top 16 competitors from the current FIS seeding list. The remaining competitors will start according to their current FIS seeding points (reflects WC or FIS rank, whichever is better).

##### Starting order - finals:

## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions

As of FRI 30 JAN 2026

The heats for the finals will be based on the rank of the top 32 women or 32 men of the seeding/qualification ranking. The competitors are placed into the heats according to their seeding/qualification results (e.g. the fastest four riders of the seeding/qualification cannot meet in the first round).

Depending on their bib numbers, the competitors in each heat will be given bib colours (fastest qualifier gets red, second green, third blue, fourth yellow) and will choose the position in the starting gate for each heat.

## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions

As of FRI 30 JAN 2026

### Ranking and tie-breaking rules

#### Ranking in a heat of the finals:

The runs are not timed. Rank is determined by finish order. Competitors who did not start (DNS) or competitors who were disqualified (DSQ) are ranked at the end of their heat. Competitors who did not finish (DNF) will be ranked according to their seeding/qualification result.

If two or more competitors did not finish, the one who achieved a longer distance on the course will be ranked first. If they stopped, fell or were finishing the course at the same gate, the seeding/qualification rank determines their position at the end of the heat.

#### Final ranking:

Competitors one to four are ranked according to their finishing order in the big final. Competitors five to eight are ranked according to their finishing order in the small final. All remaining competitors are ranked according to the phase in which they were eliminated (e.g. quarterfinals). Within the phase they are ranked first by their placing (third or fourth) and then by their seeding/qualification rank within that group (e.g. all third placed finishers in the quarterfinal would be ranked according to their seeding/qualification rank, ahead of all fourth placed finishers).

### Penalties / Disqualification Rules

The penalties are: did not finish (DNF) for missing or crossing a gate.

### Protests / Appeals

For seeding/qualification, a protest must be made in writing to the jury within 15 minutes after the end of the race. The protest must be accompanied with a fee of 100 Swiss francs (refunded if the protest is upheld).

For the final heats, determination of interference is determined by the jury using information received from section judges and video feeds. Competitors may ask for review before the start of the next heat. All decisions in the final heats cannot be protested.

### Differences between the FIS World Championships and the Olympic Winter Games

Seeding and finals of both women and men at the world championships are organised together on two different days.

### Changes since the Olympic Winter Games Beijing 2022

None.

## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions  
As of FRI 30 JAN 2026

### Mixed Team Snowboard Cross

The mixed team consists of one man and one woman from the same National Olympic Committee (NOC). Men will start first and women second.

Teams will be seeded based on team member's individual World Cup Starting List or FIS Points List.

The competition consists of a final phase only. Seeding into the heats will be based on the current FIS seeding list.

The finals (quarterfinals, semifinals, big and small final) are divided into heats of up to four teams based on the seeding. The bib numbers in the finals correspond to the teams' seeding (1-1, 1-2, 2-1, 2-2, etc.). The top two teams from each heat advance to the next phase.

The first competitors from each team line up in the start and the regular SBX start cadence is given with all gates opening at the same time. As soon as these competitors leave the start, the gates are closed and their teammates line up.

The start door for the second competitor in a team will open based on the ranking of the first competitor and the time delay of the first competitor crossing the finish. When the order and time difference at the finish of the first four competitors is confirmed, the start signal "Riders Ready", "Attention" for the second competitors will be given. A maximum "penalty time" applies if the first competitor is marked as Did Not Finish (DNF) or if that competitor's arrival time in the finish exceeds the maximum time delay of 5% of the reference time. The first two teams whose second teammate crosses the finish line will advance to the next round. If a first team competitor is marked as Ranked as Last (RAL) or Did Not Start (DNS), the second team competitor will not be permitted to start (NPS).

RAL and DNF: general individual cross rules apply.

If a verbal warning is given to the competitor, this warning does not affect the team. Two verbal warnings to the same competitor will lead to a mark of RAL for the team concerned.

### Tie Break Rules

1. If multiple teams fail to finish (DNF), the team correctly passing more gates will be ranked better.
2. In case of a tie in the small final or the big final, the teams will remain tied and will receive the same rank. Ties for teams sharing DNS or NPS: the tie will be broken by a jury decision.
3. If any ties remain, the better seeded team will win the tie-break.

### Protests / Appeals

In Mixed Team Snowboard Cross heats, interference is assessed by the jury based on information from section judges and video feeds. Competitors may request a review before the start of the next wave or heat. All decisions in the heats are final and cannot be protested.

### Differences between the FIS World Championships and the Olympic Winter Games

### Changes since the Olympic Winter Games Beijing 2022

### Snowboard Halfpipe

#### Sport rules and procedures

The halfpipe is a snow pipe with a length of about 180m to 200m, an average width (wall to wall) of about 20m to 21m and an average gradient of about 18 degrees. The height of the pipes for the Olympic Winter Games is specified at 6.7m.

The competition consists of two phases: qualification and final.

Competitors are ranked on the best of two runs in the qualification, and on the best of three runs in the final. Scores from one phase are not carried over to the next phase.

The highest and lowest of the six judges' scores are discarded (four scores counted). The qualification will consist of one or two heats.

If there is one qualification heat, the 12 best competitors will advance to the final.

If there are two qualification heats (regular format or double-up), the 6 best competitors from each heat will advance to the final for a total of 12 finalists.

#### Starting order - qualification:

If heats are used: the competitors are divided into two heats based upon the latest FIS seeding list.

The competitors (in each heat) are then divided into three groups for the draw: the top ten are randomly drawn in the first group, competitors seeded 11-20 (second group) are then drawn, and finally the remaining competitors (ranked 21 and onwards) are randomly drawn in the third group. The start order of the groups will be decided at the Team Captains' meeting.

#### Starting order - final:

Competitors start in reverse order of their qualification results.

#### Tie Break Rules

Qualification: Ties within a heat will be broken by the judges. Ties between heats will remain. If there is a tie for a qualification position, all tied competitors will progress to the finals.

Final: Ties will be broken by judges if they decide so. If tied, competitors with the higher bib number will be listed first. All competitors who competed in the final are ranked first, followed by competitors who did not advance from the qualification heats.

#### Notes

A competitor who is marked Did Not Start (DNS) in the first run of any phase is allowed to start the following runs within the same phase.

Two runs in each phase must be completed for this phase to be valid. If the final cannot be completed the results from the qualification will be considered as the event results.

Should one judge be missing, the five judged scores will count.

#### In case of extraordinary circumstances

Alternate format 1: two runs instead of three in the final (with one panel of six judges).

Alternate format 2: qualification: double-up judging with two panels of three judges each (overall judging, no sections). There will be two heats with alternate starts, and the two judging panels will score separate heats.

Alternate format 3: no qualification, all competitors compete in a one-heat final of two or three runs.

Alternate format 4: extreme situation would be running the women's and men's competitions together (each gender performing alternately) using the double-up format with two panels of three judges, one judging the women and one judging the men.

#### Penalties / Disqualification Rules

## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions  
As of FRI 30 JAN 2026

The penalty is disqualified for unsportsmanlike behaviour (DQB).

### Protests / Appeals

Protests must be made in writing to the jury within 15 minutes of the end of the competition. The protest must be accompanied with a fee of 100 Swiss francs (refunded if the protest is upheld).

No protest against the judgement is allowed.

### Judging

The judging panel consists of six international judges who evaluate a competitor's performance according to the overall impression of the runs. The highest and lowest scores are discarded and the four remaining scores are averaged for each run.

Each judge evaluates the sequences of tricks, trick difficulty and execution, the amount of risk in the routine, and how the competitor uses the pipe.

The judges take falls, full stops, over or under-rotations, minor mistakes and other components into consideration and perform deductions based upon the nature of the mistakes.

### Differences between the FIS World Championships and the Olympic Winter Games

Women and men at the world championships normally compete on the same day. Also, as more competitors participate at the world championships, they may be split among more qualifying heats.

### Changes since the Olympic Winter Games Beijing 2022

None.

### Snowboard Slopestyle

#### Sport rules and procedures

The slopestyle course has a variety of jump and jib (sliding) features. Each competitor is allowed to select the line of their choice within the field of play, moving from feature to feature and performing a sequence of their best tricks in a run. The competitors may find and choose different lines as they ride down the course based on their creativity and tricks.

The competition consists of two phases: qualification and final.

#### Notes:

Section-by-section judging: scores are given by three panels of two judges on five to seven sections (e.g. 50-80% of the total score) and by a panel of three judges who will give a composition score (e.g. 50-20% of the total score). There is a split between the weight of sections and composition scores that can vary (e.g. 60% sections + 40% composition).

Percentage splits between weight for sections and composition scores may be adjusted.

Each phase result is calculated on the best of two runs in qualifications, or three runs in the final. Scores from one phase are not carried over to the next phase.

The qualification will consist of one or two heats.

If there is one qualification heat, the 12 best competitors will advance to the final.

If there are two qualification heats (regular format or double-up), the 6 best competitors from each heat will advance to the final for a total of 12 finalists.

#### Tie Break Rules

Qualification: Ties within a heat will be broken by the judges. Ties between heats will remain. If there is a tie for a qualification position, all tied competitors will progress.

Final: Ties will be broken by judges if they decide to do so. If tied, competitors with the higher bib number will be listed first.

A competitor who is marked as DNS in the first run of any phase is allowed to start the following runs within the same phase.

Two runs in each phase must be completed for this phase to be valid. If the final cannot be completed the results from the qualification will be considered as the event results.

#### In case of extraordinary circumstances:

Alternate format 1: two runs instead of three in the final, section by section judging.

Alternate format 2: two runs instead of three in the final, with one panel of six judges.

Alternate format 3: qualification: double-up judging with two panels of four judges, exceptionally two panels of three, each (overall judging, no sections). There will be two heats with alternate starts, and the two judging panels will score separate heats.

Alternate format 4: overall judging (no sections) with six judges (four count - same as halfpipe).

Alternate format 5: no qualification, all competitors compete in a one heat final of two or three runs.

Alternate format 6: extreme situation would be running the women's and men's competitions together (each gender performing alternatively) using the double-up format with two panels of four judges, one judging the women and one judging the men.

## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions  
As of FRI 30 JAN 2026

### Penalties / Disqualification Rules

If a competitor is disqualified due to unsportsmanlike behaviour (DQB) his results from the entire competition will be removed and he will be listed at the bottom of the classification with no final ranking.

### Protests / Appeals

Protests must be made in writing to the Jury within 15 minutes of the end of the competition. The protest must be accompanied by a fee, which is refunded if the protest is upheld.

No protest against the judgement is allowed.

### Judging

Scores are given by three panels of two judges on five to seven sections (e.g. 50-80% of the total score) and by a panel of three judges giving the composition score (e.g. 50-20% of the total score). There is a split between weight for sections and composition scores that can vary (e.g. 60% sections + 40% composition). Percentage splits between weight for sections and composition scores may be adjusted. This is called section-by-section judging.

The Jury can also decide to use overall judging.

### Differences between the FIS World Championships and the Olympic Winter Games

### Snowboard Big Air

#### Sport rules and procedures

The big air (BA) competition is a judged sport. The riders/competitors perform tricks on the BA jump by taking off from a kicker and aiming to attain sizeable airtime and well-executed tricks, plus securing a clean, solid landing. The competition format is based on two jumps in the qualification and three in the final. The best jump counts in the qualification. The scores of the two best different jumps, added together, count in the finals.

In best two out of three format the two counting tricks must be different in terms of rotation or direction. The type of trick performed will be marked as A, B or C on the results. If a competitor performs the same type of trick more than once during the same phase, only the highest score will be counted for the total.

There are two events: women and men.

The big air course has an in-run of about 38m to 45m high and a kicker about 4m high. The landing pitch is about 35 to 38 degrees. The distance to fly from the kicker to the sweet spot on the landing is about 22m to 30m.

#### Qualification:

The qualifications consist of one or two heats. Each heat includes three jumps.

If there is one qualification heat, the 12 best riders/competitors will advance to the final.

If there are two qualification heats (regular format or double-up), the 6 best competitors from each heat will advance to the final for a total of 12 finalists.

A rider/competitor who is disqualified in jump one is not permitted to start in jump two.

In this way there will be 12 women and 12 men in the finals. Riders/competitors who do not reach the final are ranked according to their results in the qualification.

#### Alternate formats:

In the unlikely case that a big air event must be run faster (e.g. due to weather conditions or force majeure), alternate formats could be used (e.g. the final could be reduced to two jumps).

#### Starting order - qualification:

Competitors are divided into two heats based upon the latest FIS seeding list.

In each heat there are three groups for the draw: the top ten are drawn first, then competitors seeded 11-20 (in the heat), and finally the remaining competitors (seeded 21 and onwards will be drawn into a third group. Which of the three groups start first is decided at the team captains' meeting.

#### Starting order - final:

Riders/competitors start in reverse order of their qualification results.

#### Ranking and Tie Break Rules

##### Final ranking:

All riders/competitors who competed in the final are ranked first followed by riders/competitors who did not advance from the qualification heat(s).

##### Tie-breaking:

Qualification: ties within a heat will be broken by the judges. Ties between heats will remain. If there is a tie for a qualification position, all tied competitors will progress.

Final: ties will be broken by judges if they decide to do so. If tied, competitors with the higher bib number (worse seeded) will be listed first.

## Competition Format and Rules

Formato e regole gara / Format et règlement des compétitions  
As of FRI 30 JAN 2026

### Penalties / Disqualification Rules

The penalties are: disqualified (DQB) for unsportsmanlike behaviour.

In big air the best two out of three jump format requires that the two scored tricks must be different. If a competitor performs the same trick twice or more during the same phase, only the highest score will count, and lower scores will not be considered.

A competitor who is marked as Did Not Start (DNS) in the first run of any phase is allowed to start the following runs within the same phase.

### Protests / Appeals

Protests must be made in writing to the jury within 15 minutes of the end of the competition. The protest must be accompanied with a fee of 100 Swiss francs (refunded if the protest is upheld).

No protest against the judgement is allowed.

### Judging

The judging panel consists of six international judges who evaluate a rider/competitor's performance according to the overall impression of the jumps. The highest and lowest scores are discarded and the four remaining scores are averaged for each jump.

The judge evaluates the amplitude, the difficulty of the trick, execution, progression and landing. The judges take falls into consideration and can deduct up to 30% of the points of the jump from each judge for each fall.

### Differences between the FIS World Championships and the Olympic Winter Games

As more riders/competitors participate at the FIS world championships, they may be split among more qualifying heats.

### Changes since the Olympic Winter Games Beijing 2022

None.

# SBX

Rank	Bib	FIS Code	Name	NOC Code	Lane number				Lane Choice				Progression
					8F	QF	SF	F	1	2	3	4	

### Explanation of progression:

These codes tell how a competitor progresses through the competition (by phase). The information is given on the following format:

Ph\_L-R" where P=Phase, h=Heat number \_ L=Lane number-R=Heat rank

Example:

8F5\_2-1, QF3\_2-1, SF2\_3-2, F1\_2-1

means in 1/8 Final heat 5, the competitor picked lane 2 and placed first, in Quarterfinal heat 3 the competitor picked lane 2 and placed first, in Semifinal heat 2 the competitor picked lane 3 and placed second, in the Big Final the competitor picked lane 2 and placed first.

### Note:

In the 1/8 Finals and the Quarterfinals the first two ranked competitors of each heat proceed to the next phase. The third and fourth ranked competitors are ranked according to their seeding rank.

In the Semifinals the first two ranked competitors of each heat proceed to the Big Final. The third and fourth ranked competitors of each heat proceed to the Small Final.

## Lane Choice Analysis

Analisi scelta corsia / Analyse du choix de couloir

**SBX**

Rank	Bib	FIS Code	Name	NOC Code	Lane number				Lane Choice				Progression
					8F	QF	SF	F	1	2	3	4	

### Explanation of progression:

These codes tell how a competitor progresses through the competition (by phase). The information is given on the following format:

Ph\_L-R" where P=Phase, h=Heat number \_ L=Lane number-R=Heat rank

Example:

8F5\_2-1, QF3\_2-1, SF2\_3-2, F1\_2-1

means in 1/8 Final heat 5, the competitor picked lane 2 and placed first, in Quarterfinal heat 3 the competitor picked lane 2 and placed first, in Semifinal heat 2 the competitor picked lane 3 and placed second, in the Big Final the competitor picked lane 2 and placed first.

### Note:

In the 1/8 Finals and the Quarterfinals the first two ranked competitors of each heat proceed to the next phase. The third and fourth ranked competitors are ranked according to their seeding rank.

In the Semifinals the first two ranked competitors of each heat proceed to the Big Final. The third and fourth ranked competitors of each heat proceed to the Small Final.

### Explanation of progression:

These codes tell how a competitor progresses through the competition (by phase). The information is given on the following format:

Ph\_L-R" where P=Phase, h=Heat number \_ L=Lane number-R=Heat rank

Example:

8F5\_2-1, QF3\_2-1, SF2\_3-2, F1\_2-1

means in 1/8 Final heat 5, the competitor picked lane 2 and placed first, in Quarterfinal heat 3 the competitor picked lane 2 and placed first, in Semifinal heat 2 the competitor picked lane 3 and placed second, in the Big Final the competitor picked lane 2 and placed first.

### Note:

In the Quarterfinals the first two ranked teams of each heat proceed to the next phase.

The third and fourth ranked teams are ranked according to their seeding rank.

In the Semifinals the first two ranked teams of each heat proceed to the Big Final.

The third and fourth ranked team of each heat proceed to the Small Final.

### Note:

In Big Air the best 2 out of 3 jump format requires that the two scored tricks must be different. If a competitor performs the same trick twice or more during the same phase, only the highest score will count, and lower scores will not be considered. In order to differentiate between the different tricks they will be indicated with Jump IDs (JI): A, B or C.

For further information on Trick IDs, please consult: <https://www.fis-ski.com/DB/snowboard/park-and-pipe/tricks-list.html>

If a competitor performs the same trick twice or more during the same phase, only the highest score will count, and lower scores will not be considered. In order to differentiate between the different tricks they will be indicated with Jump IDs (JI): A, B or C.

For further information on Trick IDs, please consult: <https://www.fis-ski.com/DB/snowboard/park-and-pipe/tricks-list.html>

## Sport Terminology

Terminologia sportiva / Terminologie du sport  
As of FRI 30 JAN 2026

### Parallel Giant Slalom

Term	Definition
Backside turn	A turn where the heel edge faces to the inside of the turn while the snowboard is riding on the heel edge. In other words, a left turn for a regular-footer and a right turn for a goofy-footer.
Bevel	The degree of angle to which the edges of a snowboard are tuned. Snowboards used for racing and carving should have a greater bevel than a snowboard used in the halfpipe.
Detune	The process of dulling the edges of the snowboard. Most people detune the edges around the nose and tail so they do not catch in the snow.
Effective edge	The length of metal edge on the snowboard which touches the snow; it is the effective part which is used to make a turn. Therefore, it does not include the edge of the tip and tail.
Fakie	A term for riding backward. See also switchstance.
Flex	Term used to describe the stiffness and pattern of how a snowboard flexes, i.e. stiff, medium, soft.
Free-riding	Snowboarding on all types of terrain for fun, i.e. no contests, no halfpipe, no gates, no rules, etc.
Front foot	The foot mounted closest to the nose. A regular-footer's left foot and a goofy-footer's right foot.
Frontside	The frontside of the snowboard is the side where the toes rest; the frontside of the snowboarder is the side to which his/her chest faces.
Frontside turn	A turn where the toe edge faces to the inside of the turn while the snowboard is riding on the toe edge. In other words, a right turn for a regular-footer and a left turn for a goofy-footer.

Variety in Snowboard Big Air with scoring	<p>In Snowboard Big Air the best two out of three jump format requires that the two scored tricks must be different. If a competitor performs the same trick twice or more during the same phase, only the highest score will count, and lower scores will not be considered.</p> <p>In order to differentiate between the different tricks they will be indicated with A, B or C on the TV graphics and results as follows:            1<sup>st</sup> jump: trick A performed: Judges identify the trick performed and gauge the major characteristics of the trick.            2<sup>nd</sup> jump: trick B performed that must have different characteristics from trick A which the judges identify.            3<sup>rd</sup> jump: trick C performed that may have different characteristics from tricks A and B which the judges identify.</p> <p>In some cases, competitors execute only two different tricks, an A and a B and on the third jump they repeat one of these tricks attempting to improve the score. In other cases, if they execute correctly tricks A and B, they will try to better the overall score by executing a more complex and difficult C trick, knowing that only the two highest scores of the three different tricks will count towards the final score.</p>

Protector	Plastic protection for various parts of the body (i.e. shoulders, arms, back, legs).
Rear foot	The foot mounted closest to the tail. A regular-footer's right foot and a goofy-footer's left foot.
Rear hand	The trailing hand closest to the tail of the snowboard. The right hand for regular-footers and the left hand for goofy-footers.
Regular-foot	Riding on a snowboard with the left foot in the forward position. The left foot is closest to the nose, furthest from the tail, and in between the right foot and the nose.
Revert	To switch from riding fakie to forward, or from forward to fakie, usually while the snowboard is still touching the ground.
Roller	A "wave or series of waves" (gentle jumps) which the athlete can either absorb or jump.
Sidecut radius	The measure (usually in cm) of the circle radius to which the sidecut of a snowboard corresponds. A small circle or sidecut (under 900 cm) will make tighter turns than a large sidecut (over 900cm).
Sintered base	High molecular-weight base formed by the heating and compression of small fragments of P-tex. Sintered bases absorb and hold wax better and are more durable than extruded bases, i.e. they are faster.
Snow seed	A group of competitors selected from those with low seeding ranks, who start before the first competitor on the start list, when the jury has decided that excess loose snow on the course would disadvantage the early starters.
Stance	The position of one's feet on the snowboard. Includes: stance types, such as regular or goofy, and also stance specifications, such as widths and angles.
Step-down (pro jump)	A jump where the landing is lower than the starting point.
Step-in binding	Binding system in which no major manual adjustment is needed to attach and detach the boot from the binding. You simply "step in" and then pull a lever or a latch to "step out." It has been developed for hard as well as soft boot binding configurations.
Step-up	A jump where the landing is higher than the starting point.
Table	A jump where the landing is on the same level or a little higher than the kicker.
Tail	The rear tip of the snowboard.
Toe edge	A snowboard has two different edges. The toe edge is the one at which the toes rest.
Traverse	To ride perpendicular to the fall line. A halfpipe rider traverses from wall to wall in the halfpipe.
